

Lambswool Pad short

Extra dense and tug-resistant natural lambskin pad short pile for processing abrasive polishes for eccentric polishing machines. Lambskin is the polishing medium with the highest abrasiveness. Ideally suited for removing heavy weathering, deep scratches and abraded surfaces.

Abrasiveness: 9

page 1 of 1

Areas of use

Heavily weathered, scratched and abraded paint.

Recommendations for use

Especially suitable for processing the Heavy Cut (H9.02). To generate an optimal and smooth running behavior on the paint surface, the polish must be worked into the fur once.

Container

Container	Item no.
Ø 126 mm	9998213
Ø 150 mm	9998214

Warnings

Only brush out the Lamswool Pad short after use. Do not wash in the washing machine. Follow the care instructions.
