

PureShampoo

Biogenic shampoo

page 1 of 1

PureShampoo is a highly concentrated active shampoo based on biogenic raw materials. Suitable for gantry car washes, tunnel washes and hand washing. The combination of anionic and non-ionic surfactants from natural sources, as well as refatting components, guarantees gentle, thorough cleaning and protects the paintwork. Also ideally suited for biological process water treatment plants, where it is characterized by extremely improved biodegradability. VDA-compliant class A.

Areas of use

Gantry car washes, tunnel washes, hand washes, etc.

Recommendations for use

Apply pure up to 1:10 via dosing pump. Recommended consumption per car: Shampoo: 5-10 ml. Hand wash: 1:200. VDA-compliant class A.
