

Statement

Non G.M.O. Statement

We, SETHNESS-ROQUETTE, certify that Caramel Colours and Burnt Sugars we are producing are not derived from agricultural products that are genetically modified.

All our maize derived products also satisfy the identity preservation requirements of the European Union.

Consequently our products do not need to be labelled according to 1829/2003/CE and 1830/2003/CE regulations.

Merville, 6th of June 2018

Romain de Wazières
General Manager

Statement applicable to the following range of products:

- Caramels Colours (liquid and powder form)
- Burnt Sugars (liquid and powder form)
