

WetGloss

Wet sealant for increased gloss and strong hydrophobicity

WetGloss is the high-performance wet sealant for all exterior vehicle surfaces. The product creates a particularly smooth, glossy and highly hydrophobic surface. WetGloss can be used as a stand-alone sealant or as a topping on an existing ceramic coating. Ready to use, easy to apply, pleasant fragrance and with long-lasting protection over several weeks.

Areas of use

All vehicle exterior surfaces

Recommendations for use

Appropriate pre-cleaning/washing is necessary before applying WetGloss. Spray the ready-to-use product onto the wet paintwork and rinse thoroughly with a jet of water. To avoid water spots, dry the vehicle thoroughly afterwards. Depending on the size of the vehicle, approx. 250 ml should be used.

Container

Container	Item no.
5 L	684005
